

## Club Grants Recipients 2020/21

ClubGRANTS is a state-wide program which provides funding for community groups, charities and sporting teams, in order to strengthen their involvement in their local regions. The ClubGRANTS round provides the opportunity for local projects to apply for funding from Campbelltown Clubs under the scheme.

Campbelltown City Council and Sector Connect are responsible for overseeing the administration of ClubGRANTS in Campbelltown.

Life Changing Experiences	In response to the COVID-19 pandemic, our team of Welfare and Trauma specialists have identified an urgent need to establish online support and additional welfare support for at-risk and vulnerable teenage girls who have been a part of our programs. This includes 281 girls in the Campbelltown area who, due to the complex nature of their circumstances, may require crisis support and regular contact during this period of restrictions and beyond. Our Foundation has developed an innovative, cost-effective and sustainable project (The We-CARE Project) to help us to reach out to these girls. We will connect 1:1 using our skilled mentors and Youth Wellbeing Support Specialists;	\$4,870	Category 1	Cash

Beneficiary	Program	Amount	Category	Cash or In Kind
	develop a shared online platform to resource the girls and enable them to have regular contact with us and each other; provide mental health and well-being resources and activities; and provide on-line training for our mentors. We will also act as a referral point to local services as needed.			
We Are Community	We Are Community provide essential services to the less fortunate in our community. We are in need of some assistance in financing the fit out of our new night patrol - food delivery service vehicle. The equipment will assist us in delivering a healthy and safe service to the most vulnerable in our community.	\$2,137	Category 1	Cash
Childrens Tumour Foundation	With this project The Children's Tumour Foundation's (CTF) would like to provide Health Management Kits to the 65 families in the Campbelltown LGA who are impacted by Neurofibromatosis (NF). NF is a genetic condition that causes tumours to grow on any nerve cell in your body, a child with NF is born every three days in Australia.
